

Cincinnati Chapter

President's Message

INSIDE THIS ISSUE:

- Presidents Message 1
- Upcoming Events 2
- Leadership Spotlight 3
- Event Photos 4

With the kids back in school and summer officially over, we turn now to end-of-year events and activities after a moment of reflection on all that we've accomplished in the Cincinnati Chapter of the CPCU during 2018. Charged with "providing resources, educational programs and leadership opportunities that attract talent and enable individuals to expand their technical insurance skills" (from CPCU Mission Statement), the Chapter has risen to the challenge and put on more educational events than at any point since my involvement with the chapter. With a strong volunteer board and an active membership body, we've collectively been able to educate industry leaders on Block chain, Cryptocurrencies, Ethics, Risk Management, Bonds, and Diversity & Inclusion. Additionally, we've sprinkled in quite a few fun activities with the golf outing, an evening at Top Golf, drinks at the Zoo, and other networking opportunities. Finally, we've given back to the larger community with our volunteer outing at the Ronald McDonald House.

That said, before the year ends, there are plenty more opportunities for education, service and fun! Join us for I-Day on October 22 at the Kingsgate Marriott from 11:30 am – 6 pm. Join us for our Member Appreciation Event at Main Event in West

Chester on November 8 from 4-7 pm. Join us for our holiday service opportunity at Matthew 25 Ministries from 9–11 am on December 15. Join us, learn, participate and engage with your peers, co-workers, and fellow and future leaders in our ever-changing, dynamic and evolving industry.

If you're one of the many who has joined us throughout the year, and you liked it, consider joining a committee, the Board or planning an event. As we begin to plan for next year, we are always on the lookout for passionate leaders to help propel us forward. Speak to a member of the Board today to find out how you can join us!

Thanks to the Board and all our volunteers for the fantastic effort this year; I hope you've each learned as much as I have. And if you haven't yet, it isn't too late for you to join in on the fun!

~ Kevin Duke

"Community is much more than belonging to something; it's about doing something together that makes belonging matter."

~ Brian Solis

~ check your email or the chapter website for up to date information on upcoming events and for registration information ~

Leadership Spotlight

John Elder – Great American Insurance Group

I've worked in the insurance industry for over 12 years in various roles including claims and pet insurance at American Modern and underwriting at Great American. Currently I lead the Project Management team in the Predictive Analytics division at Great American. Earned my CPCU designation in 2013 and I've been active in the CPCU Society for the last few years and currently serve as an officer and co-chair of the Education/Events/Social committee. I enjoy my role with the chapter as I've always been a proponent of continuous learning so my role of the education committee allows me an opportunity to be actively involved with other insurance professionals.

Personally, I live in Anderson Township with my wife, Ellie, and two kids Camden (3) and Hadley (1).

August 23 Surety Bonds Lunch & Learn

September 26 Diversity & Inclusion Lunch & Learn
