CINCINNATI CPCU SOCIETY **CHAPTER SCHOLARSHIP**

This spring, the Cincinnati CPCU Society Chapter will award up to four \$1,000 scholarships to graduating high school seniors and currently enrolled college students who are immediately related to Chapter members. Students should excel in academics, community service activities and school-related activities. In addition, students must submit an essay.

This scholarship may be for your student if...

- They are active in their school and community
- They have at least a 3.0 GPA and are a graduating senior or currently attending a college or university
- You are a current paid Cincinnati CPCU Society Chapter member

To apply, email:
james_emming@cinfin.com

President's Message

What is a Chapter Gram? It's a quick way for you to find out what is going on with your local CPCU Society chapter! I am honored to be your President this year, and am blessed with the best group of volunteers serving as Officers, Directors, Committee Chairs and committee members. We are dedicated to bringing value to your CPCU Society membership by offering interesting and educational Lunch and Learns, fun social outings, rewarding good works projects, and our biggest event of the year, I-Day! This is your chapter, so please let us know what you would like to see for future events or if you are interested in becoming more involved with the chapter. Looking forward to seeing you at our next event!
